## MISSIONARY SPOTLIGHT

### **Robert & Kim Clark**

### **Equipping Leaders, Philippines**

The Clark's have been supported by FBC since 2011. Robert has been teaching and mentoring seminary students at Baptist Seminary and Institute in the Philippines. As the new year has gotten underway Robert and Kim are thankful for expanded Seminary Ministry Opportunities. Robert is privileged to have been tasked with teaching three theology courses, and a World Missions course. He is also teaching their new Historical course.

This is a testimonial from one of the seminarians:

"Studying here at BBSI is such a humbling experience and blessing, and at the same time, it helps me to grow more in love with the work of God. It has been a dream come true. I believe God has been calling me to full-time ministry. I would also like to apply this to the field. I have been praying to see what God has stored for me in the future. I believe that with the training I am receiving from this institution, through the grace of God he can use me for His glory" - M. Noya, seminarian at BBSI

Please join them in praying:

- For the students in both the seminary and its extension program, that they will glean much from their courses in preparation for their life of service.
- For the dedicated staff and seminary board members.
- For Robert and Kim's continued health concerns.

"Live IN Hope"

**Big Idea: When God grants living hope He expects us to live our lives \_\_\_\_\_ by this hope.**

**Q: What does it look like to live IN hope?**

⇒ **Those who live IN hope are rooted in \_\_\_\_\_.**

NOT: \_\_\_\_\_ favor you've already been given.

NOT: disregarding favor you've already been \_\_\_\_\_.

⇒ **Those who live IN hope are \_\_\_\_\_.**

Do life \_\_\_\_\_ even if you are the only one.

Don't \_\_\_\_\_ by your inner passions even if everyone else is

⇒ **Those who live IN hope are \_\_\_\_\_ aware.**

Aware that your Daddy is also the impartial \_\_\_\_\_.

Aware of the \_\_\_\_\_ of your redemption.

**Challenge: Put your hope into \_\_\_\_\_.**
