MISSIONARY SPOTLIGHT

Dee Cook **Indigenous Ministries International, Middle East**

It was a blessing to have Dee Cook, the CEO of IMI here at FBC a few weeks ago to share her heart for the ministry and for us to have the opportunity to learn more about her and the ministries of IMI. The latest edition of their newsletter (which you may pick up on the missions display in fellowship hall) is warm, joy filled and so encouraging about the multiple, wonderful, things the Lord is doing through them! The teaching at the Bible college is building practical knowledge very useful in their communities and of course primarily to help them to grow in grace and knowledge of the Lord and to share it! A recent women's conference displays a beautiful time of fellowship and encouragement in India for them.

Peace in multiple countries at war tops their general prayer. Please note other specific requests, especially regarding increasing persecution of Christians. A very practical prayer request for a much needed, impactful ministry is for a second vehicle in which they can visit and distribute food to refugees in Iraq, in order to bless them in being the hands and feet of Jesus. Dee is also asking for prayer for God's direction, as she, the board, and the principal of Grace Bible College plan future steps for the school.

Dee is "confident of God's mighty hand upon us and the door of ministry that is still open."

Please continue to pray for her as she is currently abroad in IMI's areas of ministry and it has been about a year since her beloved husband John went suddenly to be with the Lord.

"With a mighty hand and outstretched arms, His love endures forever" Psalm 136:12
